|                        |                 |
|------------------------|-----------------|
| Part Number            | 20631R01        |
| UPC Code               | 840594030201    |
| Product Weight         | 20 lbs          |
| Box Dims.              | 21" x 21" x 14" |
| Box Weight             | 24 lbs          |
| Master Carton Quantity | 1               |
| <b>solar panel</b>     |                 |
| Voltage                | 6 V             |
| Current                | 180 mA          |
| Power                  | 1.1 W           |
| <b>pump</b>            |                 |
| Voltage                | 6 V             |
| Current                | 130 mA          |
| Flow Rate              | 55 gph          |

In line with our policy of continuous product development Smart Solar reserves the right to change, vary or alter the product specification without prior notification.

Patent Office Reg #3025941 and 302594

**Please note**

This product is made of painted resin, which may fade and discolor over time.
